If you missed last year's awesome SUP Clinic with Jim and Pam Ballantyne of Sailworld, this is your chance! Get to work early that day and tell your boss you have an appointment and

need to leave early! Join the Cape Cod Wahines for this after work clinic in Bourne. Bring your wetsuit and booties and prepare to paddle! You'll be up and cruising just like

Penny the Stand Up Paddle Pug seen here with her paddle guide Carrie Crook. See you there!!

Cost is \$20 for the clinic and includes instruction, and use of board and paddle.
